

## National Donor Sabbath Bulletin Announcements

Today, more than 119,000 people in the U.S. are in need of organs. Over 1 million people will benefit from tissue transplants and nearly 50,000 will receive corneal transplants over the course of a year. For many, the chance to see, to walk and to live won't come unless more of us consider eye, organ and tissue donation. Each one of us has the potential to save up to eight lives as an organ donor and touch another fifty as a tissue donor. To document your decision to be a donor, tell your family and enroll in the NY State DONATE LIFE Organ and Tissue Donor Registry. You can enroll on-line by visiting [www.lionseyebankrochester.org](http://www.lionseyebankrochester.org) or **call Lions Eye Bank at Rochester for more information, (585) 272-7890.**

To think of others in a time of grief and sorrow is truly compassionate and selfless. Please consider the gift of life and sight made possible through eye, organ and tissue donation. Our congregation supports organ and tissue donation in the spirit of love and generosity. After services, discuss eye, organ and tissue donation with your family and friends. Let them know that you understand the critical need for donors. Nineteen people die every day waiting for an organ transplant. Remind them that there is no cost for giving the gift of life or sight. All you need to do is say YES. To document your decision to be a donor, tell your family and enroll in the NY State DONATE LIFE Organ and Tissue Donor Registry.
